

HANBANG[®]

Hanbang Technology Corp.,LTD

Introduction

Beijing Hanbang Technology Co., Ltd., one of the first enterprises entering into digital video surveillance industry, has been focusing on R&D of products and technology of digital video surveillance field. While providing product and technical support, it also provides overall solution for the industrial system; it has successfully provided system implementation and service supports for several industries.

Hanbang now owns 2 R&D centers respectively in Beijing and Shenzhen. After years of technology accumulation in video image processing field, Hanbang Technology has successfully developed a number of digital surveillance product series and formed a number of digital core products such as audio and video compression cards, embedded DVRs, network video servers, analog cameras and IP cameras; The product line covers a full range of video surveillance system. It has become one of the key domestic suppliers of video compression cards and embedded digital video recorders, and the products have been supplied to many industries.

To meet market demand with better service, the company sets 6 zones including North China, Central China, East China, South China, Northeast China and Southwest China, and the sales and service network as well as nearly 30 offices cover the whole China. At the same time the company positively develops the overseas market, and its products have been sold to India, Turkey, South Africa, Poland, Russia, Brazil, UK and many other countries and regions.

Hanbang Technology is National High-tech Enterprise, vice president member of Beijing High-tech Enterprises Association, also the vice president member of China Security Industry Association. It has passed certifications of ISO-9001 quality system and ISO-1400 environmental system, and its products have passed certifications of FCC/CE, ROHS, CCC and others. Hanbang Technology with stably progressing is universally recognized both by insiders and outsiders of the industry. It is shortlisted for China security top 10 brands successively for years and shortlisted for safe city recommended brands several times; it was shortlisted for 2009 Forbes China Up&Comers and shortlisted for pilot innovative enterprises at national innovation model zhongguancun area; besides it is one of 2010 national torch program key high-tech enterprises, and its embedded DVRs win the title of National Key New Product.

Based on technology and being market-oriented, Hanbang expects to develop together with China security industry.

HB7000X3-HA

Entry Level 960H DVR

Features:

- ▶ Support Full 960H, 4/8/16channel same designed,unique HDD installation method
- ▶ Support full channel record with parameter adjustable and instant playback
- ▶ Support Digital Zoom on preview and playback
- ▶ Support 4 mask area settings, support 4 special interested area
- ▶ Support Full screen/preview/section video mask
- ▶ Support motion/schedule/manual/abnormal(including disk error, video loss,video mask, motion detect, sensor detect etc.) alarm
- ▶ Support buzz and email sending while alarming
- ▶ Support motion detect and alarm linkage to multiple channels record simultaneously
- ▶ Support search and backup video or picture by Time/Event inquiry
- ▶ Support controls R/W and analyze disk error information
- ▶ Support 3G, DHCP,DDNS or PPPOE and auto redial
- ▶ Support UPNP, FTP, NTP,DST
- ▶ Support preview/playback/download remotely by CMS,Webpage (Chrome, IE,firefox, Safari,etc.) or mobile apps etc.) or mobile apps

	Working temperature	-10℃~-+55℃

HB5100

Economical HD-SDI DVR

Features:

- ▶ Support full channel record with parameter adjustable and instant playback
- ▶ Support remote control
- ▶ support 4 mask area settings, support 4 special interested area
- ▶ support Full screen/preview/section video mask
- ▶ support motion/schedule/manual/abnormal(including (Disk error, video loss,video mask,motion detect,etc.) alarm
- ▶ Support buzz and email sending while alarming
- ▶ Support motion detect and alarm linkage to multiple channels record simultaneously;
- ▶ Support search and backup video or picture by Time/Event inquiry
- ▶ Support external USB/DVD/eSATA burner
- ▶ Support HDD group management, controls R/W and analyze disk error information
- ▶ Support DHCP,DDNS,3G or PPPOE and auto redial
- ▶ Support NTP,DST
- ▶ Support UPNP,FTP
- ▶ support preview/playback/download remotely by CMS, Webpage (Chrome,IE,firefox,Safari,etc.) or mobile apps (Iphone and Android)

Economic NVR HB7900X3-L series

Features:

- ▶ Up to 2 Megapixels Resolution(1080P) Recording.
- ▶ Up to 8ch Synchronous playback
- ▶ Support Onvif 2.0
- ▶ Support search and backup video or picture by Time/Event inquiry
- ▶ Support PPPOE and auto redial
- ▶ Support free DDNS with own server
- ▶ Support UPNP, NTP
- ▶ Support Email alarm function with linkage channels
- ▶ Support Iphone and Android app.
- ▶ Support preview/playback/download remotely by CMS, Web(Chrome, IE,firefox,Safari,etc.)

HB671-ARX

HD-SDI entry-level IR bullet camera

Features:

- ▶ Adopt high-performance CMOS sensor.
- ▶ Minimal illumination 0Lux With IR
- ▶ Support auto color to back
- ▶ Support automatic gain, automatic white balance.
- ▶ IP66 level water-protecting design
- ▶ Equipped with a fixed focal length lens

Parameters:

Model		HB671-ARX
Camera	Imaging Device	1.0 million pixel Sony scan CMOS
	Minimal illumination	AGC ON.0Lux with IR
	Day & Night	IR-CUT Double Light-filter Swithing
Video parameters	Effective pixels	1.0 million
	Resolution	1280×720
	Frame rate	720P 30fps
	IR distance	30m/50m optional, Array
	Lens focus	30m(Standard 6mm,3.6/8mm optional) 50m(Standard 8mm, 12/16mm optional)
	Wide dynamic	N/A
	Noise-signal ratio	TBD
	Gain controlling	Auto
	White balance	Auto
	Backlight compensation	Support
	Digital noise reduction	Support
Port	Video output	HD-SDI interface
Other parameters	Working Temp.	-20℃~+55℃
	Working Humidity	Less than 90%(No condensation)
	Power supply	DC 12V
	Consumption	Less than 3W
	Cable control	Optional
	Power supply	DC12V±10%

HB571-AR

HD-SDI entry-level IR bullet camera

Features:

- ▶ Adopt high-performance CMOS sensor.
- ▶ Minimal illumination 0Lux With IR
- ▶ Support auto color to back
- ▶ Support automatic gain, automatic white balance.
- ▶ IP66 level water-protecting design
- ▶ Equipped with a fixed focal length lens

Parameters:

Model		HB571-AR
Camera	Imaging Device	1.0 million pixel Sony scan CMOS
	Minimal illumination	AGC ON.0Lux with IR
	Day & Night	IR-CUT Double Light-filter Swithing
Video parameters	Effective pixels	1.0 million
	Resolution	1280×720
	Frame rate	720P 30fps
	IR distance	30M, Array
	Lens focus	Standard 3.6mm ,6mm optional
	Wide dynamic	N/A
	Noise-signal ratio	TBD
	Gain controlling	Auto
	White balance	Auto
	Backlight compensation	Support
	Digital noise reduction	Support
Port	Video output	HD-SDI interface
Other parameters	Working Temp.	-20℃~+55℃
	Working Humidity	Less than 90%(No condensation)
	Power supply	DC 12V
	Consumption	Less than 3W
	Cable control	Optional
	Power supply	DC12V±10%

HB771A-ARX

1.0 Mega pixels HD IR Bullet IP Camera

Features:

- ▶ Image resolution up to 1 Mega pixels, using advanced H.264 video compression technology, Support for HD video encoding; Support Ultra-low-light capabilities
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 50 meters maximum
- ▶ Support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development

Parameters:

Series		HB771A-ARX			
Parameters					
Model		HB771A-AR3	HB771A-AR3-P	HB771A-AR5	HB771A-AR5-P
OnVif		Support			
Specification	Imaging Device	1/4" Sony Line by line scanning CMOS			
	Effective Pixels	1280(H)×720(V)			
	Minimum illumination	Color 0.05Lux, black and white 0 Lux			
	SNR	>50dB			
	Gain Control	Auto / Manual (0dB ~ +36 dB)			
	White Balance	Auto			
	Electronic Shutter	Auto / Manual(1/25s ~ 1/8000s)			
	Exposure Control	Auto			
	Lens parameters	M12,Standard 6mm,3.6mm optional		M12,Standard 8mm,12mm optional	
	Day and night	ICR			
	IR parameters	30m(LED Array)		50m(LED Array)	
Video	Video Coding	H.264 Main Profile			
	Video Resolution	720P(1280×720) real time			
	Image resolution (dual-stream)	720p+D1			
	Maximum frame rate	50Hz: 25f/s, 60Hz: 30f/s			
	Output rate	32Kbps~4Mbps			
	Image parameter settings	Brightness, color, contrast, saturation can be adjusted through IE browser Client			
Network	Network Protocol	TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP, RTP/RTSP			
	Security	Password protection, multi-level user management			
Interface	Network Interface	1 RJ45, 10M/100M adaptive Ethernet port			
	PoE	No	YES	No	YES
General	Power supply	DC12V ±10%			
	Power Consumption	5W			
	Work Environment	-10℃ ~ +55℃			

HB871A

1.0 Mega pixels IR Dome IP Camera

Features:

- ▶ Image resolution up to 1 Mega pixels, using advanced H.264 video compression technology, Support for HD video encoding; Support Ultra-low-light capabilities
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 20 meters maximum
- ▶ Support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development

Series		HB871A	
Parameters			
Model		HB871A-AR	HB871A-AR-P
OnVif		Support	
Specification	Imaging Device	1/4" Sony Line by line scanning CMOS	
	Effective Pixels	1280(H)×720(V)	
	Minimum illumination	Color 0.05Lux, black and white 0 Lux	
	SNR	>50dB	
	Gain Control	Auto / Manual (0dB ~ +36 dB)	
	White Balance	Auto	
	Electronic Shutter	Auto / Manual(1/25s ~ 1/8000s)	
	Exposure Control	Auto	
	Lens parameters	M12,Standard 6mm,3.6mm optional	
	Day and night	ICR	
	IR parameters	20m(LED Array)	
Video	Video Coding	H.264 Main Profile	
	Video Resolution	720P(1280×720) real time	
	Image resolution (dual-stream)	720p+D1	
	Maximum frame rate	50Hz: 25f/s, 60Hz: 30f/s	
	Output rate	32Kbps~4Mbps	
	Image parameter settings	Brightness, color, contrast, saturation can be adjusted through IE browser Client	
Network	Network Protocol	TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP,RTP/RTSP	
	Security	Password protection, multi-level user management	
Interface	Network Interface	1 RJ45, 10M/100M adaptive Ethernet port	
	PoE	No	Yes
General	Power supply	DC12V ±10%	
	Power Consumption	5W	
	Work Environment	-10℃ ~ +55℃	

HB751W-ARX

1.3 Mega pixels HD WDR IR Bullet IP Camera

Features:

- ▶ Image resolution up to 1.3 Mega pixels, using advanced H.264 video compression technology, support for HD video encoding; support wide dynamic function
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 50 m
- ▶ Maximum support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development
- ▶ IP66 waterproof design, high reliability

Parameters:

Series		HB751W-ARX			
Parameters		HB751W-AR3	HB751W-AR3-P	HB751W-AR5	HB751W-AR5-P
Model					
OnVif		Support			
Specification	Imaging Device	1/3"Sony Line by line scanning CMOS			
	Effective Pixels	1280(H)×960(V)			
	Minimum illumination	Color 0.05Lux, black and white 0 Lux			
	SNR	>50dB			
	Gain Control	Auto / Manual (0dB ~ +36 dB)			
	White Balance	Auto			
	Electronic Shutter	Auto / Manual(1/25s ~ 1/8000s)			
	Exposure Control	Auto			
	Lens parameters	M12,Standard 6mm,3.6mm optional		M12,Standard 8mm,12mm optional	
	Day and night	ICR			
IR parameters	30m(LED Array)		50m(LED Array)		
Video	Video Coding	H.264 Main Profile			
	Video Resolution	960P(1280×960)			
	Image resolution (dual-stream)	960p+D1			
	Maximum frame rate	50Hz: 25f/s, 60Hz: 30f/s			
	Output rate	32Kbps,4Mbps			
	Image parameter settings	Brightness, color, contrast, saturation can be adjusted through IE browser Client			
	Ultra-illumination effect	No			
	WDR	Support,≥80dB,			
Audio	Audio Coding	G.711			
	Audio output rate	64Kbps			
Network	Network Protocol	TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP,RTP/RTSP			
	Security	Password protection, multi-level user management			
Interface	Network Interface	1 RJ45, 10M/100M adaptive Ethernet port			
	Audio / intercom input	1ch Audio In,Support Intercom			
	Audio Output	1ch Line Output			
	Analog video output	1 BNC analog video output			
	Alarm Input	1 ch switch input			
	Alarm Output	No.1 ch switch output			
	Memory interfaces	Built-in TF card and eMMC card (optional)			
	PoE	No	Yes	No	Yes
General	Power supply	DC12V ±10%			
	Power Consumption	5W			
	Work Environment	-10℃ ~ +55℃			

HB771S-ARX

1.4 Mega pixels HD IR Low Illumination Bullet IP Camera

Features:

- ▶ Image resolution up to 1.4 Mega pixels, using advanced H.264 video compression technology, Support for HD video encoding; Support Ultra-low-light capabilities
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 50 meters maximum
- ▶ Support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development

Parameters:

Series		HB771S-ARX			
Parameters					
Model		HB771S-AR3	HB771S-AR3-P	HB771S-AR5	HB771S-AR5-P
OnVif		Support			
Specification	Imaging Device	1/3 Sony Line by line scanning CMOS			
	Effective Pixels	1280(H)×1024(V)			
	Minimum illumination	Color 0.05Lux, black and white 0 Lux			
	SNR	>50dB			
	Gain Control	Auto / Manual (0dB ~ +36 dB)			
	White Balance	Auto			
	Electronic Shutter	Auto / Manual(1/25s ~ 1/8000s)			
	Exposure Control	Auto			
	Lens parameters	M12,Standard 6mm,3.6mm optional		M12,Standard 8mm,12mm optional	
	Day and night	ICR			
	IR parameters	30m(LED Array)		50m(LED Array)	
Video	Video Coding	H.264 Main Profile			
	Video Resolution	960P(1280×960)			
	Image resolution (dual-stream)	960p+D1			
	Maximum frame rate	50Hz: 25f/s, 60Hz: 30f/s			
	Output rate	32Kbps~4Mbps			
	Image parameter settings	Brightness, color, contrast, saturation can be adjusted through IE browser Client			
	Ultra-illumination effect	Support			
Network	Network Protocol	TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP,RTP/RTSP			
	Security	Password protection, multi-level user management			
Interface	Network Interface	1 RJ45, 10M/100M adaptive Ethernet port			
	PoE	No	Yes	No	Yes
General	Power supply	DC12V ±10%			
	Power Consumption	5W			
	Work Environment	-10℃ ~ +55℃			

HB871S-AR

1.4 Mega pixels HD IR Low illumination Conch IP Camera

Features:

- ▶ Image resolution up to 1.4 Mega pixels, using advanced H.264 video compression technology, support for HD video encoding; support wide dynamic function
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 20 m
- ▶ Maximum support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development
- ▶ IP66 waterproof design, high reliability

Parameters:

Parameters		Series	
		HB871S-AR	
Model		HB871S-AR	HB871S-AR-P
Description		1.4 Mega pixels HD IR Low illumination Conch IP Camera	
OnVif		Support	
Specification	Imaging Device	1/3" Sony Line by line scanning CMOS	
	Effective Pixels	1280(H)×1024(V)	
	Minimum illumination	Color 0.05Lux, black and white 0 Lux	
	SNR	>50dB	
	Gain Control	Auto / Manual (0dB ~ +36 dB)	
	White Balance	Auto	
	Electronic Shutter	Auto / Manual(1/25s ~ 1/8000s)	
	Exposure Control	Auto	
	Lens parameters	M12,Standard 3.6mm,6mm optional	
	Day and night	ICR	
	IR parameters	20m(LED Array)	
Video	Video Coding	H.264 Main Profile	
	Video Resolution	960P(1280×960)	
	Image resolution (dual-stream)	960p+D1	
	Maximum frame rate	50Hz: 25f/s, 60Hz: 30f/s	
	Output rate	32Kbps~4Mbps	
	Image parameter settings	Brightness, color, contrast, saturation can be adjusted through IE browser Client	
	Ultra-illumination effect	Support	
Network	Network Protocol	TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP,RTP/RTSP	
	Security	Password protection, multi-level user management	
Interface	Network Interface	1 RJ45, 10M/100M adaptive Ethernet port	
	PoE	No	Yes
General	Power supply	DC12V ±10%	
	Power Consumption	5W	
	Work Environment	-10℃ ~ +55℃	

HB752S-ARX

2.0 Mega pixels HD IR Low illumination Bullet IP Camera

Features:

- ▶ Image resolution up to 2.0 Mega pixels, using advanced H.264 video compression technology, support for HD video encoding; support wide dynamic function
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 50 m
- ▶ Maximum support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development
- ▶ IP66 waterproof design, high reliability

Parameters:

Series		HB752S-ARX			
Parameters		HB752S-AR3	HB752S-AR3-P	HB752S-AR5	HB752S-AR5-P
Model					
OnVif		Support			
Description		2.0 Mega pixels HD IR Low illumination Bullet IP Camera			
Specification	Imaging Device	1/2.8" Sony Line by line scanning CMOS			
	Effective Pixels	1920(H)×1080(V)			
	Minimum illumination	Color 0.05Lux, black and white 0 Lux			
	SNR	>50dB			
	Gain Control	Auto / Manual (0dB ~ +36 dB)			
	White Balance	Auto			
	Electronic Shutter	Auto / Manual(1/25s ~ 1/8000s)			
	Exposure Control	Auto			
	Lens parameters	M12,Standard 6mm, 3.6/8mm optional		M12,Standard 6/8/12mm, 16mm optional	
	Day and night	ICR			
IR parameters	30m(LED Array)		50m(LED Array)		
Video	Video Coding	H.264 Main Profile			
	Video Resolution	1080P(1920×1080)			
	Image resolution (dual-stream)	1080p+D1			
	Maximum frame rate	50Hz: 25f/s, 60Hz: 30f/s			
	Output rate	32Kbps~8Mbps			
	Image parameter settings	Brightness, color, contrast, saturation can be adjusted through IE browser Client			
	Ultra-illumination effect	Support			
Audio	Audio Coding	G.711			
	Audio output rate	64Kbps			
Network	Network Protocol	TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP,RTP/RTSP			
	Security	Password protection, multi-level user management			
Interface	Network Interface	1 RJ45, 10M/100M adaptive Ethernet port			
	Audio / intercom input	1ch Audio In,Support Intercom			
	Audio Output	1ch Line Output			
	Analog video output	1 BNC analog video output			
	Alarm Input	1 ch switch input			
	Alarm Output	No.1 ch switch output			
	Memory interfaces	Built-in TF card and eMMC card (optional)			
	PoE	No	Yes	No	Yes
General	Power supply	DC12V ±10%			
	Power Consumption	5W			
	Work Environment	-10℃ ~ +55℃			

2.0 Mega pixels HD IR Low illumination Conch IP Camera

Features:

- ▶ Image resolution up to 2.0 Mega pixels, using advanced H.264 video compression technology, support for HD video encoding; support wide dynamic function
- ▶ Built-in motion detection, Video shielding, automatic networking, alarm network transmission and other functions
- ▶ Support dual-stream
- ▶ High quality array infrared lights, irradiation distance of 20 m
- ▶ Maximum support dual filter automatic switching, true day and night surveillance equipment
- ▶ Provide SDK facilitates integration and secondary development
- ▶ IP66 waterproof design, high reliability

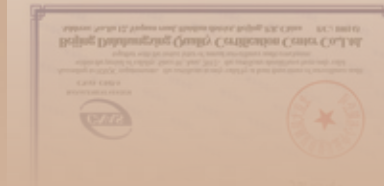

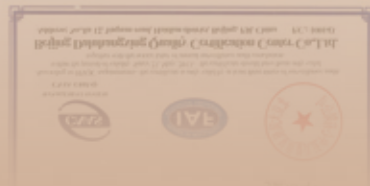

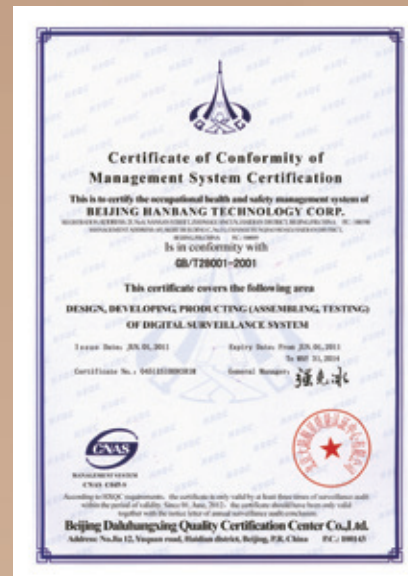

Parameters:

Parameters		Series	HB852S-IR	
Model			HB852S-IR	HB852S-IR-P
OnVif			Support	
Description			2.0 Mega pixels HD IR Low illumination Dome IP Camera	
Specification	Imaging Device		1/2.8" Sony Line by line scanning CMOS	
	Effective Pixels		1920(H) × 1080(V)	
	Minimum illumination		Color 0.05Lux, black and white 0 Lux	
	SNR		>50dB	
	Gain Control		Auto / Manual (0dB ~ +36 dB)	
	White Balance		Auto	
	Electronic Shutter		Auto / Manual(1/25s ~ 1/8000s)	
	Exposure Control		Auto	
	Lens parameters		M12,Standard 6mm, 3.6mm optional	
	Day and night		ICR	
Video	IR parameters		20m(LED Array)	
	Video Coding		H.264 Main Profile	
	Video Resolution		1080P(1920×1080)	
	Image resolution (dual-stream)		1080p+D1	
	Maximum frame rate		50Hz: 25f/s, 60Hz: 30f/s	
	Output rate		32Kbps~8Mbps	
	Image parameter settings		Brightness, color, contrast, saturation can be adjusted through IE browser Client	
	Ultra-illumination effect		Support	
Audio	Audio Coding		G.711	
	Audio output rate		64Kbps	
Network	Network Protocol		TCP/IP,HTTP,DHCP,DNS,NTP,SNMP,DDNS,SMTP,RTP/RTSP	
	Security		Password protection, multi-level user management	
Interface	Network Interface		1 RJ45, 10M/100M adaptive Ethernet port	
	Audio / intercom input		1ch Audio In,Support Intercom	
	Audio Output		1ch Line Output	
	Analog video output		1 BNC analog video output	
	Alarm Input		1 ch switch input	
	Alarm Output		No.1 ch switch output	
	Memory interfaces		Built-in TF card and eMMC card (optional)	
	PoE		No	Yes
General	Power supply		DC12V ±10%	
	Power Consumption		5W	
	Work Environment		-10℃ ~ +55℃	

Achievements and Awards Received in Recent Few Years

- ▶ A key high-tech enterprise of China Torch Plan
- ▶ 2012 Forbes China most potential non-listed company ranked 46th
- ▶ AAA level credit enterprise
- ▶ China Smart City Construction Recommend Brands
- ▶ 2012 Top 10 Innovative Security Products
- ▶ GPS Top 100 Chinese Security Companies in 2012
- ▶ A&S Top 10 Security Brand in China 2011
- ▶ Top 10 2011 Security Nation Brands

Certification

Software System

3G Applications

1. A variety of mobile terminal
2. 8CH preview & 1 CH playback
3. VOD

Browser

1. IE/Safari/Firefox/Chrome
2. 1/4/6/8/9/16/25/36/42 CH display
3. Fully configuration DVR function

DVR Client

1. Support all HB products(DVR/NVR/IPC)
2. Friendly operation interface
3. TV Wall

CMS

1. UP to 800CH for free
2. Device and cameras status notifications
3. Concentrated storage&management

Partial Application

Transportation Industry

Capital Airport

Beijing West Railway Station

Public Place

Zimbabwe gymnasium

Financial Centre

China ABC Bank

Education Industry

Beijing University

Sea-crossing Bridge

Argentina Bank

Yildiz Soray Istanbul Museum

The background of the entire page is a repeating pattern of ancient Chinese bronze reliefs. These reliefs depict various scenes, including chariots pulled by horses, warriors in armor, and figures in traditional robes. The pattern is rendered in a light, reddish-brown color, creating a textured, historical feel.
